Education

Princess Sumaya University for Technology (PSUT)
Amman, Jordan

Bachelor of Science in Computer Engineering [2012 - 2016]

Graduated with the 1st rank in my class among all Computer Engineering students with a GPA of 93.9%. The Bachelor of Science in Computer Engineering program in PSUT is accredited by ABET (Accreditation Board for Engineering and Technology).

Awards

- Received an 'Outstanding Student Award' for academic achievement in 2015.
- Got the highest grade (88) in the senior design project in 2016.
- Was mentioned on the Dean's list several times.

Activity

Was a member in Engineering Student Advisory Board (ESAB). The ESAB is an 8-members student committee. The committee members are recommended by PSUT IEEE chairman. The ESAB members provide the students' perspectives on various curriculum issues including the development and evaluation of the program objectives.

Aleppo University
Aleppo, Syria

I started studying the B.S. in Computer Engineering at Aleppo University, but after 1.5 years, I had to leave Syria due to the dangerous situations. After that, I moved to Jordan, and continued my education at PSUT as stated above.
